

See [Webversion](#).

Dear Sir or Madam,

we'd like to introduce our company. BLOKSMA-Engineering has the perfect solution to optimize your material flow. Take a look at our product range and see for yourself.

We've got [dealers all over the world](#) who will be able to work with you vis à vis, speaking your language, knowing your needs.

## BLOKSMA PRODUCT RANGE

[Click here](#)

**BLOKSMA lifters** reduce handling- and downtimes as well as handling costs by protecting your workers' health though moving loads to an ergonomic working height. Individual production, modular design and matchless flexibility make our lifters adjustable to any requirement.

[Click here](#)

**BLOKSMA trolleys** build the basis for a modern "rolling" production without forklift trucks. They are available in standard dimensions and designs as well as customized for your specific requirements.

[Click here](#)

**BLOKSMA workpiece carriers** have become indispensable in automatized productions due to the constantly decreasing component sizes. Therefore workpiece carriers are used to hold those workpieces and carry them safely to their destination. Individually manufactured according to your needs, our workpiece carriers can be made of different materials.
