

# LEAN IN THE DRUM TRANSPORT SECTOR

GREENLOGISTICS

## THE ROUND THING NEEDS TO GO INTO THE SQUARE. TOP PANELS WHICH PREPARE TROLLEYS ALSO FOR THE TRANSPORT OF DRUMS.

- For the safe and fast indoor transport of drums in your production on wheels.
- Top panel will be modified and specially adapted to the diameter of the drum to be transported.
- The trolley shown here (400x400mm) with matching top panel is suited for transport pallets. The Bloksma transport pallet ensures safe plant-to-plant transport of 6 trolleys with drums.
